Southwest Medical Center

How long have you worked at SWMC?

In June 2023, I will have 5 years of employment at Southwest Medical Center.

Tell us a bit about your job.

I am the morning supervisor for the Food and Nutrition Services Department. I make sure all of the patients have a menu for the next day, and that everything on their trays is correct. I help my team members with anything they need. I also help up front when needed to make things run smoothly.

What is most rewarding about your job?

The most rewarding part of my job is working with my sister, a really awesome boss, and a great team of others in the Food and Nutrition Services Department.

What is one accomplishment, personal or professional, that you are most proud of & why?

One of my biggest accomplishments is working very hard and getting where I am in life. My children are also my pride and joy. They are my biggest treasure and accomplishment.
